Shires Vets Equine Rewards Scheme

At Shires Vets Equine we understand how important it is to you to provide your horse or pony with the best care possible.

We have developed our Rewards Scheme to allow you to spread the cost of that care through monthly direct debits that are convenient and also secure.

Our horse health plan is not insurance, instead it provides regular health and dental checks, vaccinations and more.

Extra benefits include 10% discount on all products and services that you may require from us, for the duration of your plan.

Speak to one of our team today to find out how you can provide for your horse without the financial concerns, or sign up online scanning the QR code below.

We also offer preventative health care plans for dogs and cats.
